Caravans
We met with Highways to discuss the caravan situation, and they will be following the legal process required to enable removal. There will be a longer-term policy taken to the transport committee meeting to address the issue of nuisance vehicles.
The planning department will also be investigating the caravan situated on Chale Green.

Community Lunch
The Hub Christmas Community get together will now be held on Wednesday 16th December at 4pm. It will include a buffet and gifts from Father Christmas for the Children. This will be followed by Carols round the tree with mulled wine and mince pies.

Friends of Chale Church
I have met with some of those interested in starting a Friends of St Andrews Church association. We are looking into the most suitable option for the collection of the donations.

Remembrance Service
It was once again an honour to represent the IW Council and the village by laying a wreath at the St Andrews remembrance service.
