Cllr Dr Lockwood updated council that he has started the application for a grant from the National Lottery to create information hubs of both phone boxes, however, it will be a long process due to public consultation and involvement being required. This will probably take 1 year to complete. He is also liaising with Ward Councillor Critchison over how Niton achieved their phone box refurbishment. Councillor Andrew Burroughs is intending to put up the boarding in the new phone box at St Andrews Church sometime this week followed by leaflet holders or shelves for the Chale Trail.

148/25 TO RECEIVE REPORTS FROM:

The Clerk. The Clerk report was circulated prior to the meeting. In addition, the Clerk has received a complaint from a resident in Chale Gren regarding parking of vehicles on the main road of those attending the HUB last week. This caused an issue for the district nurse to access the complainant's driveway due to a vehicle parking opposite. Clerk showed photos of the issue.

RESOLVED: Clerk to forward complaint onto SWAY regarding parking issue and to inform complainant that as there are no parking restrictions on the main road there is little that can be done from the PC but that SWAY should be encouraging those using the facilities to park on the car park at the old shop or on the parking area at the top of Spanners Close.

Parish Councillors.

Cllr Lynda Burroughs advised that the cost of running the hall per year is approximately £2000 which is funded by hall hire, coffee mornings and themed evenings. These events just about cover that cost but should there be a major repair bill then there are insufficient funds for this. It was agreed that talks by specialists are always well attended so perhaps more of these for 2026 will bring in some further funds.

Cllr Dr Lockwood spoke with Police regarding the fireworks problems. Police agreed that there is No legislation which prevents people from having fireworks but if lots of complaints were received by police at the time then maybe some police presence would be provided. Police advised to signpost on facebook and village websites etc of the dangers to animals and property.

Cllr Pete Gosling attended the home address of this year's recipient of 'Chaler of the Year' award, Mr Mike Matthews. Mike has volunteered to run the Parish website for several years, maintaining and updating it as per government guidelines. He has done this without reward.

In addition, Cllr Gosling has attempted to repair the dog bin at the bottom of Eastview Lane but it is beyond repair.

RESOLVED: Clerk to purchase a new dog bin.

Chairman – Dave Stewart.

RESOLVED: Not present.

Ward Councillor Claire Critchison – Councillor Critchison's report was circulated prior to the meeting and will be appdx to these minutes.

149/25 QUESTIONS FROM MEMBERS OF THE PUBLIC
