Minutes of the **MEETING of CHALE PARISH COUNCIL** held on Mon 9th Feb 2026, commencing at 6.30pm.

Present

Councillors: Cllrs: Andrew Burroughs, Pete Gosling, Lynda Burroughs, Chris Parker.
IW Councillor: Not Present
Clerk: Mrs Michala Bailey
Public: 2

The meeting commenced with an update from Steph Flux, Manager of the Hub, Spanners Close, Chale Green. Steph advised that since opening the building there has been issues with heating, electricity supply and internet connection. WightFibre will be re-locating the fibre box onto the car park of the HUB and connecting asap. This will help residents who wish to sign up to WightFibre due to poor connection with current suppliers. The shop is in progress. However, the cost of a till system is prohibitive and the mobile card machines require a good internet signal. It is hoped that volunteers will help run the shop. Initially it will open 4-6pm daily until. Parking has been an issue but with the 7/8 spaces in front of the old shop and the 6 provided at the HUB and sensible parking this should not be an ongoing problem. Steph is continuing to work with residents over this. The kitchen is not yet usable but it is hoped that a meeting with EH will help with that. The trees and shrubs removed alongside the Green will be replaced and planted when the weather improves. Internal blinds will be up soon to help with privacy and lots of planned activities are already in the diary including the Food pantry which Steph is hoping to obtain more funding for. Longterm, Steph is hoping to have volunteer 'hub hosts' who will be at the hub for visitors to have a chat with over a hot drink.
