08/26 VILLAGE PLAN UPDATE

Councillor Andrew Burroughs updated that he will be requesting volunteers to set up a focus group this month. 09/26 FORTHCOMING EVENTS

9.1 Councillor Lynda Burroughs advised that soup and roll will be an addition after the coffee morning on the 17th.

9.2 In addition, Councillor Gosling advised that a food pantry event will be held this month.

He will be running one at the SWAY HUB on thurs 22nd Jan at 11am. Funding has now dried up and the grant application was declined. There is a real need for the pantry and it was discussed whether the Parish Council could assist with this? Clerk advised that the ringfenced money for the HUT running costs is no longer required and if Councillors agreed to VIRE the funds to the pantry this would be possible. Clerk also mentioned the small remaining budget of donated money that is earmarked for the Food Bank which is no longer running. It was agreed that this is no longer required then the funds remain in the donation pot.

RESOLVED: Hut running cost fund to be donated to the Food Pantry with a caveat that the funds can ONLY be used for that purpose. Clerk to contact Food Bank organiser to discuss remaining funds.

The Clerk. The Clerk report was circulated prior to the meeting. In addition, the Clerk has received a request for the new Co-ordinator for landslides and coastal change to address the council and discuss her new role. Agreed by Councillors. A request for support to an application for an outreach provision of support services by IWALC. Agreed in principle to the concept as long as the outreach part does serve all communities. The Clerk also had a meeting with the manager of the SWAY hub regarding ongoing parking complaints. The car park in front of the old shop is under used and a site visit ascertained that at least 8 spaces are available there. Clerk also mentioned that a request to fund a small leaving gift for the retired Church Warden as been received. A copy of the painting of St Andrews has been requested. Council agreed to look at cost.

RESOLVED: Clerk to contact Coastal officer and invite her to meeting. Clerk to respond to IWALC request. Clerk to look at cost of gift.

Parish Councillors.

Cllr Andrew Burroughs expressed his concern over the new digital landline issues that are affecting Chale residents in that if there is a power cut then the landline goes down and due to weak mobile phone signals in some parts of the Parish, residents are left vulnerable. He stated that this would be discussed as part of the parish plan.

Cllr Pete Gosling advised that the WightFibre cabinet at Chale Green may be re-positioned at the SWAY Hub as there is power easily available there. SWAY are happy for this to happen and it will benefit the residents of Chale Green immensely.

Cllr De Jeremy Lockwood was not present but sent an email to the clerk advising that the future St Andrews church, if discussed, requires a short, medium and long-term plan and he would support a public meeting in the future. He is very interested in what plans the church has.

RESOLVED: Ward Councillor Critchison and Clerk to arrange a public meeting with Rev'd Marsh to discuss the Church and its future.
