**Health Questionnaire**

There is a new public survey that the Hampshire and Isle of Wight Integrated Care Board have issued. They are inviting feedback on urgent health and care services, such as NHS 111 and out-of-hours GP care and we would ask for your support in helping raise awareness among your residents.

The aim is to gather feedback on people's experiences of urgent care services and will help shape how these services develop in future.

The public survey is live (launched 11 May): [Urgent Health and Care Services](#) and your support will help ensure a wide range of residents can have their say.

**Anti-social behaviour**

This is being monitored. A community meeting will be arranged if required.

**Friends of Chale Church**
